The Wisconsin Orchid Society is a non-profit organization dedicated to the conservation, cultivation, appreciation, improvement, and promotion of orchids and orchid growing. We are affiliated with the American Orchid Society and the Mid-America Orchid Congress.

Our regular meetings are usually held on the first Sunday of each month. Our regular meetings are usually held on the first Sunday of each month. We meet at Mt. Carmel Lutheran Church, 8424 West Center Street, Milwaukee. A map is on our web site. Plant judging begins at 1 pm, and the business meeting is at 1:30, followed by the program. Library materials are available before and after the meeting.

The meetings generally offer a program, such as a guest speaker, judging and showing of members' plants, and a social hour with refreshments. Other activities include a Christmas party, two "members' plants" auctions (a great opportunity to obtain plants at reasonable prices), picnics, and bus trips to green houses and orchid shows.

Our library of books, periodicals, videos and tapes is available at most meetings. We also have a monthly newsletter with events, articles, orchid news from the Internet, reports of members' visits to faraway orchid places, and much more.

Dues are \$18 for an individual via e-mail, \$27 for a family membership, and \$9 for a junior membership, via e-mail
